

The Early Childhood Education: P-3 & Leadership Financial Assistance Project Instructions

The Montana Early Childhood Education: P-3 and Leadership Financial Assistance Project was created with funds made available through the Montana Preschool Development Grant. The goal of the project is to build early childhood teacher and leadership capacity statewide through financial assistance to individuals pursuing course work leading to the new Montana ECE: P—3 teacher endorsement or an early childhood master’s degree.

Financial assistance will be awarded through an application process **on a priority basis (see below)**. Financial assistance will pay the full cost of tuition and fees, plus a \$200 book stipend each term. The cost of required background checks for students will also be included if necessary. **These funds will be paid directly to the institution for each recipient.** This Financial Assistance Project is contingent on ongoing grant funding.

The project is a collaboration between the Office of Public Instruction, the Department of Public Health and Human Services Early Childhood Services Bureau, MSU’s Early Childhood Project, the Montana Early Childhood Higher Education Consortium, and Montana institutions of higher education that are regionally accredited. **P-3 Financial Assistance will be available based on the following criteria:**

1. An individual must have a current Practitioner Registry Certificate at the time of application. The ECP will check your registry status online upon receipt of your application. The Practitioner Registry application is available online at www.mtecp.org. It may take up to 8 weeks to receive your current certificate depending upon how quickly you verify your application information by sending the ECP documentation.
2. Applicants must be working a minimum of 15 hours a week in a licensed child care center, registered family child care home, registered group child care home, Head Start program, tribal child care, preschool program in a public school, or K – 3 in a public school.
3. Applicants must be pursuing course work that leads to the ECE: P-3 Endorsement or EC master’s degree. Students pursuing their P-12 Special Education Endorsement are also eligible for this financial award. It is understood that some students may not complete all of the course work necessary to complete their degree within the grant period. Priority will be given to students who have previously received this funding.
4. You must be taking coursework through the University of Montana, University of Montana Western, or Montana State University, and include updated college transcripts with each renewal application.
5. Applicants must be Montana residents. For more information regarding residency requirements visit: mus.edu/Prepare/College/Montana_Residency_Requirements.asp

Please note: The Montana University System requires students to have health insurance. The Montana Early Childhood Education: P-3 and Leadership Financial Assistance Project does **not** cover health insurance and the associated fees.
