RE: **NAEYC Accreditation Scholarship Process**

Thank you for your interest in the Montana Scholarship Program for NAEYC accreditation.

It is the intent of the Scholarship Program to promote National Association for the Education of Young Children (NAEYC) accreditation for early childhood programs serving children ages birth to five years in part-day or full-day programs. Programs serving children 5-8 years old in before and after school programs may also apply.

* To be eligible for this scholarship you must be an active participant on the Montana Practitioner Registry. If you are not currently active or have never applied to the Practitioner Registry, processing of the Registry application can take up to six weeks. Call the Early Childhood Project (ECP) at 1.800.213.6310 or 406.404.1624 for more information.

*The NAEYC Accreditation process is divided into four steps. You must go to www.naeyc.org or call NAEYC at 1.800.424.2460 in order to determine the actual cost for each of the four steps of the accreditation process and the required annual fee. The costs for your program will be based upon the full-time equivalent children that you serve.

*For each of the four steps in the accreditation process you will need to submit an application to the ECP for approval at least 30 days prior to the date that you will be submitting your materials to NAEYC. The ECP scholarship application for Steps 3 and 4 of the accreditation process is combined.

*To apply for this scholarship a cover letter to the ECP stating your intent to become accredited and a copy of your current Montana Practitioner Registry certificate are required. Complete the appropriate NAEYC scholarship application.

*Send you cover letter, a copy of your current Practitioner Registry certificate, and your completed application to the Early Childhood Project.

*You will receive an award letter from the ECP upon approval of your scholarship. This award letter must accompany your accreditation materials that you submit to NAEYC in order for your fees to be paid from the Montana Scholarship Program's advance account with NAEYC.

Thank you for your commitment to high quality early care and education in Montana. Please contact Brandi at 1.800.213.6310 if you have questions.

Have you included these items with your application?

Cover Letter of Intent
