About Missoula Child Care Advantage (MCCA)  
MCCA intends to increase the availability of child care in our community and to improve the operating conditions for child care providers by implementing several innovative structures that support a more efficient and viable business operation. The key components of the MCCA pilot are:  
? A network of independent child care businesses utilizing shared services and amenities, including a remodeled facility in which to pilot this model.  
? Membership opportunities for area businesses, offering access to a preferred waitlist for their employees to access child care openings in the network.  
? Public/private support for the MCCA model and staffing.  
? A pilot location at the former Cold Springs School.  
? Plans for expansion after successful pilot.

### Job Requirements

#### Education:

? Combination of education and experience needed to lead an innovative and high-profile collaborative project with many community stakeholders.  
? Demonstrated ability to be a self-directed and creative problem-solver  
? Excellent written and oral communication skills.  
? Demonstrated ability to oversee complex projects, seeing them through to completion, and manage competing priorities.  
? Experience working with diverse groups and communicating with a variety of audiences.  
? Ability to both think big and attend to small details.
