### Job Description:

Mountain Bluebells Preschool & Nursery Center is seeking a Lead Teacher to guide our mixed-age Bluebells (aged 3 months to 6 years) in a nature-rich inspired environment. Whether you're just beginning your journey in early childhood education or you're a seasoned educator looking for a place where your experience is truly celebrated—Mountain Bluebells may be exactly what fulfills your teaching goals. This is your opportunity to step into a well-run program with the autonomy to design curriculum and activities that speak to your heart. Mountain Bluebells is a small, nonprofit child care program nestled in the charming mountain town of Red Lodge, MT. We are not a conventional daycare, but rather see ourselves as an extension of the child's home. At Mountain Bluebells, children experience the rhythms of real life: homemade food, abundant time playing outside in our spacious and wooded yard, and the kind of unhurried care that lets childhood unfold the way it was meant. Red Lodge provides a home with a loving community, our school has successfully implemented a thoughtful philosophy, rooted in Waldorf and LifeWays traditions, and our board is deeply committed to the people who make this work possible.
