Job Information

Job Title: Lead Preschool Teacher

Program Name: ASUM Child Care Preschool

Location of Job: Missoula, University of Montana

Hours/week: 40

Wage/Salary: 18.38

Job Description:

The preschool teacher will be required to:

- Effectively supervise all children for safety and overall general health
- Develop and implement age appropriate lesson plans for the children enrolled
- Serve as a role model for other caregivers and student aides
- Train and supervise student staff in their daily duties
- Establish a rapport with parents in the program, working to best meet their children ' s needs

Job Requirements

Education:

The preschool teacher will independently be required to make decisions in regards to lesson plans, child guidance training and supervising the student staff and caregiver, within our program guidelines and procedures. The teacher will have access to the counsel of the site program assistant and director for more challenging situations or more complex decisions.

The preschool teacher will be required to supervise:

- The administrative associate caregivers in their follow through of assigned duties in classroom
- The student staff in the completion for their duties including working with the children, food preparation according to the Child and Adult Care Food Program standards, cleaning...
- The children closely to ensure their safety, education and general well-being

Experience:

The Preschool teacher will be required to have a minimum of two years experience in a licensed or registered child care program. They must also have a minimum of a CDA (Child Development Associate) credential with at least 12 college credits in Early Childhood Education or at least 24 college credits in Early Childhood Education, with plans and progress toward obtaining, at a minimum, their Early Childhood Associate of Applied Science in Early Childhood Education degree.

The preschool teacher will be required to demonstrate the:

- Use of good judgment and ability to remain calm
- The knowledge of Montana State licensing standards and the ability to apply and enforce them
- Knowledge of child development, quality early childhood practices, positive child guidance techniques and the care and supervision of children
- Ability to develop and implement developmentally appropriate lesson plans
