

How to find forms for Registry Applications

Step 1: Go to www.mtecp.org.

The screenshot shows the website's navigation bar with links for Home, About Us, Job Board, Publications, Resources and Links, My Professional Development Record, and Log In. Below the navigation bar is the Montana Early Childhood Project logo and a grid of service links including Practitioner Registry, Professional Development Approval System, Career Development, Incentives and Awards, Find Training, and Contact Us. A 'Suggestions? Click Here' link is also present. The main content area features a 'What's New?' section with links to the Apprenticeship Program, Career Path, HI-SET information, ECP 101 Document, and a 2018 Childcare report. To the right is a 'Welcome!' banner with a photo collage of children and adults.

Step 2: Scroll down the page to the middle box titled Quick Links.

The QuickLinks section is a light green box containing the title 'QuickLinks' and a bulleted list of four links: Apply to the Registry, Professional Development Record, High School Verification Form, and Employment Verification Form.

In this box you will find forms needed for the Practitioner Registry. Click on the link needed and it will open the document allowing you to fill out the form online or print it for completion.
