

CREATE WORD CLOUDS FOR YOUR PROGRAM, FAMILIES, CHILDREN, OR STAFF

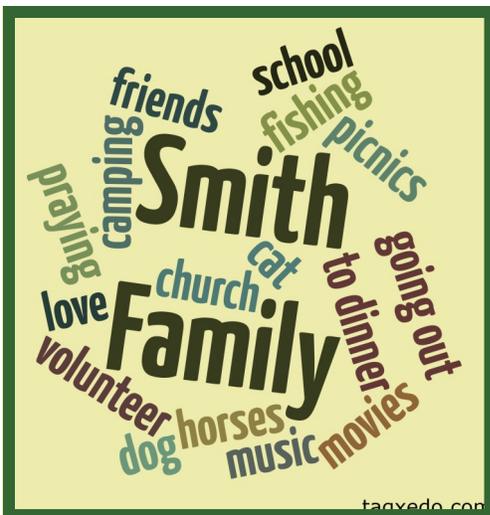

**PROGRAM:** You and your staff can generate a list of words and phrases that reflect the values and beliefs in which your program operates. Put the them in a word cloud. See that everyone gets a copy or print it out and post it in a prominent place.

Here is a list of words to get you started: welcoming, family, culture, diversity, responsive, sensitive, kind, inclusive, children, cooperative, respectful, supportive, community, flexible, creative, friendship, caring,...

**CHILDREN:** Along with children’s art and photographs, display a word cloud that expresses a child’s uniqueness and what they have in common with other children in the program.

Gather words by listening to children’s conversations, ask them about their favorite things; interview family members.

**Families:** Ask families to bring you a list of words that describes their family and make word clouds to display. Look for things that all of your families have in common and look for interesting things families can share with others.

**Staff:** Ask individual staff members to share word clouds about themselves and their families.

Call if you need help with making word clouds using [www.tagxedo.com](http://www.tagxedo.com), it really is very easy to do, Christy 406-444-7067. Send me your word clouds, I would love to see them.
